JOHN WILLIAM BALDRY - 1941 to 2005 - Long John Baldry passed away at the Vancouver General Hospital, July 21 at 10:30 pm after fighting a severe chest infection for the passed 4 months. He was surrounded by friends and loved ones and is now at peace. John Baldry will be remembered by his music and the love he generously gave to all those who came in contact with him. Our world is a lesser place without him, for John was a person that enhanced this world with his enormous presence and talent. John Baldry walks with God. - *Frank Garcia*
